

This series is differentiated by its recessed screw fixing and by a mobile counterplate mounted on a plastic base.

Raly Series

Supplied in five sizes for surface mounting on wood or metal. The pole pieces are locked into the plastic body. Two oblong slots allow for adjustment. As the pole pieces are fixed, an appropriate mobile counterplate is supplied.

Model	Holding power (Kg)	A	B	C	D	E
Raly 3	3	35	14	14	25	13
Raly 4	4	42	14	14	32	20.5
Raly 5	5	48	14	14	38	25.5
Raly 6	6	56	14	14	46	34
Raly 15	15	76	15	18.5	66	42.5

- Colour:** White, brown. The Raly 5 is also available in beige. The Raly 15 is only available in black.
- Fixing:** The magnetic catch is fitted using two 3mm screws. It can be finally adjusted by locking the screws.
- Counterplate:** The counterplate is rivetted onto its plastic base. Its slight mobility allows it to take up play. Fitted by means of round headed screws it has slots for ease of adjustment. Available in three sizes. The alternative Q10 counterplate is fixed. The screw head must not protrude beyond the ground front surface. When fitting this counterplate, do not tighten it down fully in order that it can take up some play. Available in six sizes: for round magnets of the same or lower reference number.

Model	For	A	B	C	D
CPY4	Raly 3 and 4	44	14	4.5	34
CPY5	Raly 5	50.5	14	4.5	40
CPY7	Raly 6	58	15	4.5	48
CP Q10	Raly 15	66	12	2	54

Slimline

This magnet has two main areas of application:

- For quality furniture where its neatness will be appreciated: thickness only 6mm!
- For D.I.Y. because it is easy to fit: one single screw and an adhesive counterplate

This extra flat model is made from a high performance magnetic rubber. The mobile pole pieces are cushioned by a damper for shock absorption and to take up play.

- Colour:** White, brown
- Holding power:** 5 kg
- Fixing:** 2.5mm diameter countersunk screw. It has a lip to prevent it from rotating
- Counterplate:** Self adhesive
